Juris Corp advised on several significant deals including: **the USD750 million sustainability-linked financing by Coöperatieve Rabobank and MUFG Bank for UPL Corporation**; a global acquisition by **Reliance Industries**; a **USD90 million term loan facility for CreditAccess Grameen**; and a term loan facility for **Ethane Emerald** and other borrowers.

Juris also acted as **Indian legal counsel for an external commercial borrowing for Hero Fincorp** and a credit loan agreement for **SBI bank**. The deals were innovative in the **green segment** and **focused on meeting environmental and social governance (ESG) objectives**. Involving multiple parties and required conclusions within regulatory timeframes, the transactions had a market impact as the **first new benchmark loans by an Indian company**.

Pankaj Agnihotri, senior vice president, India Debt Resolution Company, in Mumbai, says: ***"Juris Corp services are one of the best among its competitors and their team has very good relative experience in the banking and finance space."***
